FOREWARD

The year 1979-1980 will be remembered as the "Year of the Bear." Coach Barnhouse originated the idea and kept it in mind while leading his team to one of its best seasons yet. The can drive again played an important role at Christmas time. This year the seniors held out till the last minute and in doing so topped last year's total count.

Something new this year was the Momma and Papa Bears vs. the Lady Bears Volleyball Game for the United Fund. We got to see some great talent by our teachers.

The girls volleyball and basketball teams did very well this year. Because of the Equal Rights Movement, girls are now as actively involved in sports as boys.

The language clubs held an International Night in March. Students participated in skits, projects, food, and entertainment. Language students from other schools attended also.

As you turn the pages of this volume of GOLDEN MEMORIES, we hope you will remember all the good times you have had at RVHS and this year's theme of "The Year of the Bear" we hope will generate lots of school spirit.

1979 Was A Great Season

A promise was made before the start of the 1979 football season. The coaches and players of the River View High School squad said that this would be "The Year of the Bear."

It was a promise that would be kept.

The excitement began on a warm August evening when

the Bears pummelled arch foe Newcomerstown, and didn't stop until they had blanked powerful, playoff-bound Crooksville at the end of the season. For Bear fans, a lot of debts were paid in full by their team to other teams that had for so long, come out on top.

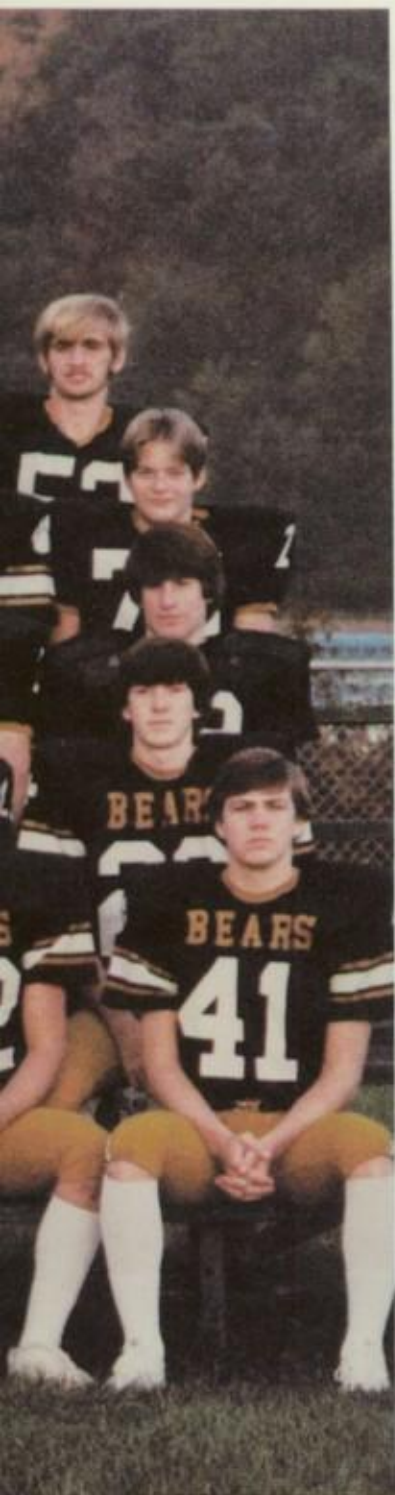

Newcomerstown was a team

that the Bears had trouble with since the beginning of the series, but on Aug. 31, the shoe was on the other foot. Stunned Trojan fans stared at a scoreboard that read 26-0 in favor of RV at the half and, before it had ended, the rout had become a 40-16 pasting.

A loss at Morgan followed,

but two exciting wins, one over rugged West Muskingum and the other over New Lexington put the Bears at 3-1 and they were off to their best start in four years. The big win at New Lexington, where Coach Larry Barnhouse spent eight years before coming to RV, may have been one of the biggest. New

Lex had long enjoyed running scores up on River View but this time it was different. The Bears were on the long end of a 41-14 score.

A heartbreaking loss at Maysville only set the stage for an exciting, breathtaking victory against John Glenn at home. According to the coaches, that game might have been the turning point in the "Year of The Bear." The Bears squeaked by the Muskies 14-13, stopping JG on a two-point conversion at the end to win it.

The Maysville loss also set the stage for something else — it was the last time a Bear

lockerroom would be unhappy in 1979.

After John Glenn, came rival Tri-Valley. The Scotties mustered all they could but it wasn't enough and the Bears were winners again, 26-20. Homecoming and Philo was next and, again, it was no contest. The charging Bears disposed of the Electrics, 26-0. That made the record 6-2 and assured the Bears of a winning season. That, however, wasn't enough to satisfy the team.

Without the starting quarterback or tailback, RV traveled to Sheridan to face a

rough General team. It was a game of super subs for RV and big defensive plays. The Generals had a chance to win the game when they had a first down at the RV six-yard-line with just over a minute to go. But the Bears closed the door and hung on for a 16-14 win.

When Bear fans think of RV's final opponent, Crooksville, the humiliation of 1978 comes back — 48-0 was the score. The Bears waited a year to avenge that defeat and did so scoring in the final three minutes to win 14-0 and complete the year 8-2.

They called themselves the "Cardiac Kids," and they lived up to their name week in and week out. The 2-8 season of 1978 had been wiped from the memories of RV supporters.

We will now remember 1979 — "The Year of The Bear!"

LISA BENDER EXCELLED AT THE STATE FAIR

On July 27th last summer all 4-H members with horses as their projects were to meet at the Silver Bar arena. I tried out for Showmanship and Horsemanship and was selected as one of the 12 out of the county to represent Coshocton County as the Ohio State Fair.

The big day was August 11th at the fair. There were 100 horses in my class which was Pleasure Horse 9 thru 18 years of age, so they divided us into three groups and my group was the first group to go into the Coliseum. My horse, Rock King Rocket, and I were the second horse and rider that they selected to go into the center. They selected 18 horses from each group and then on August 14th we had to go back and work for the Championship. I had to get my horse out regularly and keep him exercised as he wasn't used to being in a box stall all the time. During the Championship class we all worked our horses together at a walk, trot, and canter and then individual workouts - this really made me nervous. Then we went back in and lined up and the judge put my horse and me first in the lineup and I couldn't believe it when they said "first place coming from Coshocton County Lisa Bender and Rock King Rocket." I received a trophy, ribbon, and a belt buckle that says "Ohio State Fair 1979 4-H Class Grand Champion."

I am very proud of my horse and would like to thank everyone for all the cards, and congratulations. Also, I want to thank my parents for all their time and help.

Lisa is a member of the flag corps and the band. She is also a member of Golden Spurs 4-H Club.

CANAL DAYS QUEEN

After being crowned Canal Festival Queen in August, my work had just begun. During August, September, and October, I traveled every weekend to a different festival to represent Coshocton County and Roscoe Village.

I've met many new people, and seen so many different things. We had apple fritters at the Swiss Festival and the best Swiss Cheese you ever ate! I saw the "Greatest Free Show on Earth" at the Circleville Pumpkin Show. We ate Melon Ice Cream and drank watermelon juice at the Milan Melon Festival, and much, much more.

I've been to nine festivals so far in 1979, and have about 30 more to travel to in 1980.

Denise is also president of the Student Council, and is very active in school.

The class of '80 wishes the class of '81 luck next year as they try to break the record. A special thanks goes to Dave, Rusty, and Tim for the Many cans they bought the Senior Class. Lori and Lori also did a lot of shopping for the Seniors. In the Junior Class Lois Harmon brought in a can everyday. Thanks to all who helped make our 1979 drive a success.

The 1980 Annual Is Dedicated To Luther Stover, Assistant Principal

Luther Stover, Assistant Principal

Mr. Stover as a basketball player.

The Senior Class dedicates the 1980 Golden Memories to a man whom they highly respect. He warms backsides with a paddle when needed, but is always willing to lend an ear to their problems or loan them a buck for their lunch.

Mr. Stover was born in Pax, West Virginia and graduated from Pax High School. He attended Beckley Junior College and received his B. S. Degree from Morris Harvey College in Charleston, West Virginia. He furthered his studies by attending West Virginia College of Graduate Studies in Institute, West Virginia. He received his Masters' Degree from West Virginia College of Graduate Studies.

Before entering the teaching and coaching fields, Mr. Stover managed a chain of fast-food restaurants. He not only managed, but when necessary he pitched in and cooked. (He is a good cook today, and enjoys it). His first teaching job was in Coshocton where he was also Freshman Basketball Coach. From Coshocton, he went to Cambridge High School as Head Basketball Coach and Athletic Director. He came to River View in 1975.

Mr. Stover, and his delightful wife, Nancy, have four children — Kathy (who is married and has two children, Rachael and Adam), Jodi, a Coshocton High School graduate in 1978, Jennifer, a Senior at Coshocton High, and Jan, a seventh grader at Coshocton Middle School. (We think Jan might be a River View fan since we see her often).

Basketball has been the love of part of Mr. Stover's life. He played through high school and college. (See pictures at left) Whether its going to a game or watching a game on TV, sports is his favorite pastime.

We love having Mr. Stover at River View and unless he gets a job to make him rich, we the Class of 1980 hope he remains here as a River View Bear.

SHAWN STEWART AND TEEN MISSIONS GO TO AFRICA

Teen Missions is an organization that trains young people, ages 14 - college, to go to the mission field. The headquarters for Teen Missions is in Menitt Island, Florida. It is here that over 400 young people come for two weeks of training.

June the eighth I flew to Menitt Island and met my team of twenty-eight young people and four leaders.

During our two weeks of training, called Boot Camp, we lived in tents. We had classes on digging, cement laying, carpentry, and block laying. We also had classes on personal evangelism.

June the twenty-third, we boarded a bus for Kennedy International Airport, New York. On the evening of June the twenty-seventh we flew to Rome, then Lagos, then to Port Harcourt. From there we rode a bus one hundred miles to the village of Anan Ikono.

This was our home for the summer. It was a village of about fifty people. They lived in mud huts, but were well clothed and had enough food. We lived in an eight room house which the natives made. We had to walk two and a half miles to a stream to bathe and do laundry. We boiled water to drink.

Our project was to roof the village church. Not only did we complete that church, but we also roofed two other churches in neighboring towns. We did everything by hand.

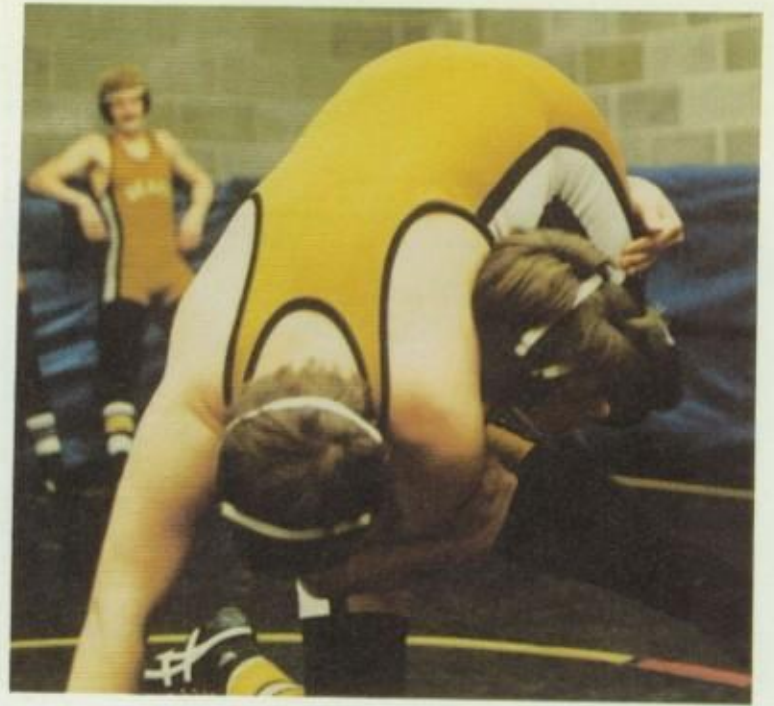

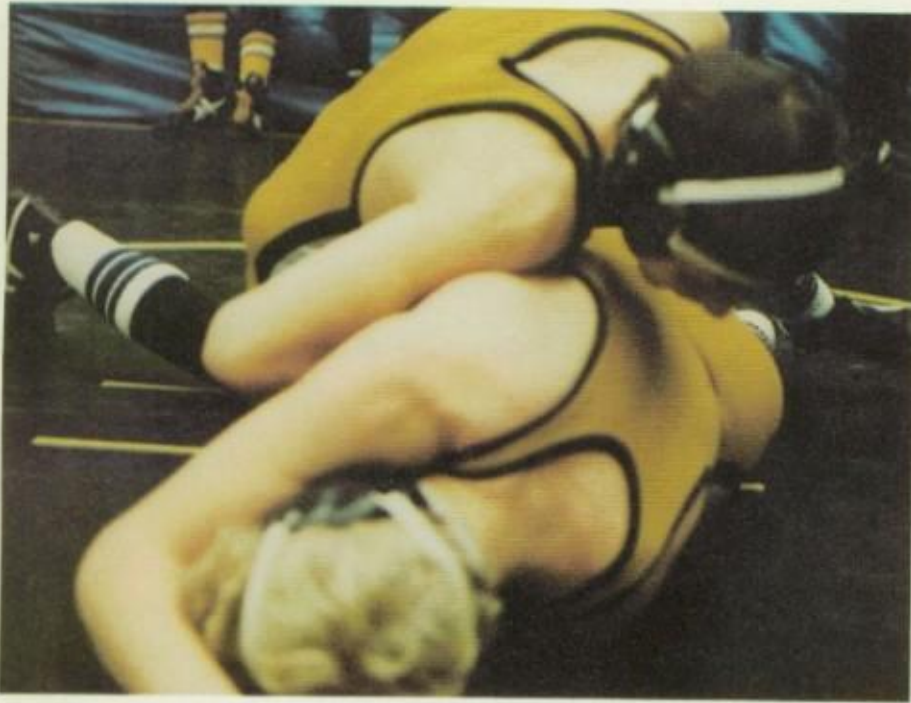

August the sixth we began our trip home. We spent two days in Lagos and two in Rome, Italy. August the tenth we arrived in the U.S. August eleventh through the sixteenth we debriefed with four other teams, who had gone to other countries, in Greenfield, Ohio. August the sixteenth my family picked me up in Greenfield. I enjoyed this summer and plan to go again.

BAND ACTIVITIES

The last week of July is the official starting date for the fall marching band season at River View.

The month of August begins band rehearsals for the whole marching unit. This month is in preparation for the football marching season and the contest marching season, but also in preparation for the band's first public performance of the year.

During the 1979 season the band appeared at all home and away games.

Parades are usually in the area of Coshocton. Festivals are a type performance where there are quite a number of bands performing for large numbers of people. Festival performances are not competitive by nature. Contests and Calvalcade performances are where bands perform "their best" for a panel of judges and each band is in competition with all other bands.

The R.V. Band appeared and performed at the following events:

- August 18 - Coshocton Canal Days Parade
- September 15 - Ridgewood Marching Band Festival
- October 6 - Lexington Festival of Champions
- October 20 - New Philadelphia Marching Band Contest
- November 3 Wheeling Park Calvalcade of Bands
- November 18 - Coshocton Christmas Parade

In Biology II all kinds of interesting things take place. The latest news from this area is that Chris Anderson has a new friend. We show the picture here — looks like love at first sight.

Mike McKee and his shark are just getting acquainted — doctor-patient relationship. Mike even got the consent form signed.

Jim Larentz has his shark hypnotized — he thinks he knows how to do this — we hope so for Mr. Waybright can't help him.

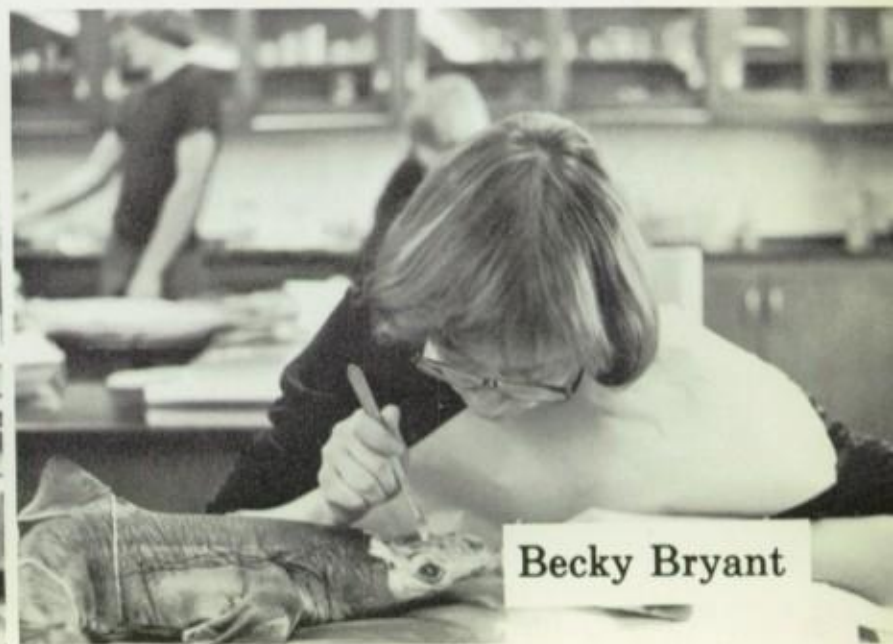

Becky Bryant looks her shark in the eye — we think she wants to tell him something about life as a human.

A black and white photograph capturing a moment during a graduation ceremony. On the left, a man in a light-colored suit and glasses is seen from the side, holding a white diploma. He is looking towards the right. On the right, a graduate is standing at a podium, wearing a dark academic cap and gown with a stole. The graduate is also looking towards the left. The background is dark, with some out-of-focus lights visible, suggesting an indoor venue. The overall mood is formal and significant.

A collage of 12 black and white photographs showing students in various school settings. The photos are arranged in a grid-like fashion, with some overlapping. The subjects are students of various ages and ethnicities, engaged in different activities: some are sitting at tables, some are standing and talking, some are holding papers or books, and some are posing for the camera. The settings appear to be classrooms, hallways, and common areas. The overall tone is candid and captures everyday school life.

We Finally

Made It!!!

A large group of students, likely a school band or cheer squad, are posing on the wide steps of a brick building. The students are arranged in many rows, with some sitting on the ground in the front and others standing behind them. Many of the students are making peace signs with their hands. They are wearing a variety of casual clothing, including t-shirts, jeans, and hats. Some t-shirts have text on them, such as "ROSCOE" and "33". In the background, a parking lot with several cars is visible, and a brick building with a door is on the right side of the frame. The overall atmosphere is celebratory and energetic.[illegible]

Maintenance And Custodial Staff

Retiring from R.V.

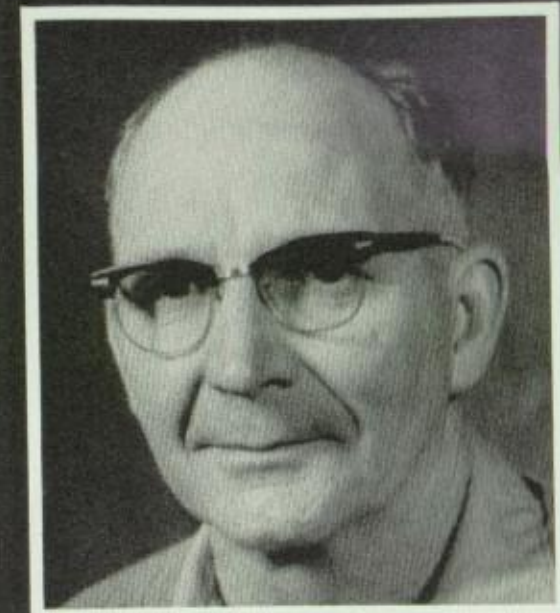

In April, 1972, Mr. Middaugh came to River View and joined the staff in the area of maintenance and grounds. He remained at River View until the spring of 1980 when he retired. He was a familiar face when you heard the put, put, put of the lawn mower and a familiar face around the building. In his retirement, we wish him contentment and happiness.

Denver Middaugh

Mr. FIXIT

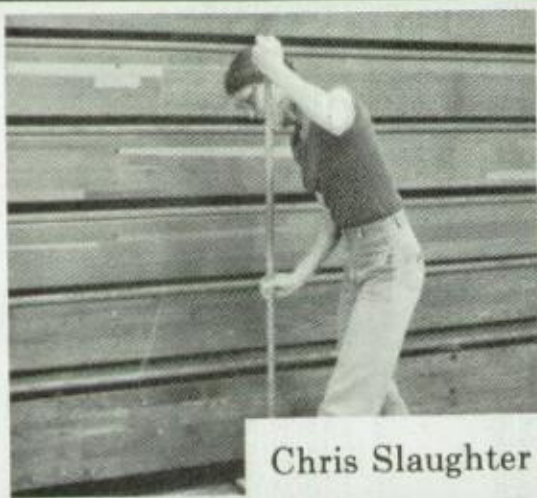

Bob, the light is out in 203, Bob, the commode is running over, Bob, Did you see any thing of the rugs for commencement, Mr. Addy, Mr. Addy, you are wanted in the girls' locker room, Mr. Addy, Mr. Addy, you are wanted in the cafeteria, Bob, did you know the roof was leaking in the gym, Oh, Oh, Bob, the waste basket is running over in 213 and leaking down in the Teachers' Lounge — this goes on day and night and Bob or one of his good helpers come running. The school could not exist without these people, and we want them to know we appreciate them.

A Good Man

A good man never dies —
In worthy deed and prayer
And helpful hands, and honest eyes,
If smiles or tears be there:
Who lives for you and me —
Lives for the world he tries
To Help — he lives eternally.
A good man never dies.

Who lives to bravely take
His share of toil and stress,
And, for his weaker fellow's sake,
Makes every burden less, —
He may, at last, seem worn —
Lie fallen — hands and eyes
Folded — yet, though we mourn and mourn
A good man never dies.

James Whitcomb Riley

Mr. Stover was highly respected and liked by all teachers and administrators who worked with him and is missed by all who knew him. The Students both liked and respected him. Many of them were able to communicate with him, and he was more than willing to listen to their problems and their side of a story. Mr. Stover will be a hard man to replace and all of River View misses him.

Score High on Test

Jill McFarland and Sherri Watson, have received certificates of educational development in recognition of superior local performance on River View High Schools administration of the National Educational Development Tests administered recently. Sophomores, J.D. Ferrell, Michael Fry, and Jim Lapp; and freshmen Rhonda Bichard, Adam Ditzler, Linda McMillan, and Kathy Rodgers were in the upper 10 per cent based on national norms. The NEDT battery includes the Test of Learning Ability and tests of educational development in 5 basic areas: English Usage, Mathematics Usage, Social Studies Reading, Natural Sciences Reading, and Word Usage. It is administered nationally to hundreds of thousands of ninth and tenth grade students.

Gifted

Every year River View High School and the two junior high schools choose the students they feel qualify for the Muskingum College "Gifted Students" Program. The students are chosen upon the basis of test scores, grades, and teacher recommendation. They attended these classes one Saturday of every month during the school year. Some of the subjects studied were Music, Art, History, Science, Political Science, and Computer Science where the students got to make "Snoopy Calendars".

Congratulations to these students. We hope you all have a chance to develop your own special gifts!

INTERNATIONAL NIGHT IS A GREAT SUCCESS!

The River View Language Department held its first International Night. The night was filled with talented performers, wonderful exhibits, and mouth-watering desserts. The mock Olympics were the highlight of the evening.

The idea for the International Night stemmed from the language clubs' participation in last year's Ohio University Language Day. The participants of International Night were also participants in this year's OU Language Day.

Although it was a huge success, International Night is now only being planned for every school year. We would like to thank Mrs. Dahlberg, Mrs. Henderson, and Mr. Woodmansee for adding a little foreign flair to the school on that one special night!

Dale Lewellen was this year's recipient of the John Philip Sousa award. This is an award given to an outstanding senior musician. This award will be of considerable influence for Dale, since he plans to enter the music profession.

Dale Lewellen **Dave Nixon**

Dave Nixon, drummer extraordinary, was chosen as a drummer for the band, Sunshine, which is out of Columbus. This Band is a sister band of the group, Life. It is made up of talented young musicians from all over the United States.

Becky Bryant

Becky Bryant was River View's representative to the Ohio State Fair Band. She and her flute had many hard hours of practice and performances. Congratulations, Becky.

R.V. Band Excel At Contest

The Concert Band went to District Band Contest for the first time ever. They received a rating of Good. They believe this is a landmark for future Concert Bands. The Symphonic Band also went to District Contest and received a rating of Superior. This entitled them to go to State Band Contest. At State Contest, they received a rating of Superior. This was the first Superior rating ever received by a River View Band at State Contest.

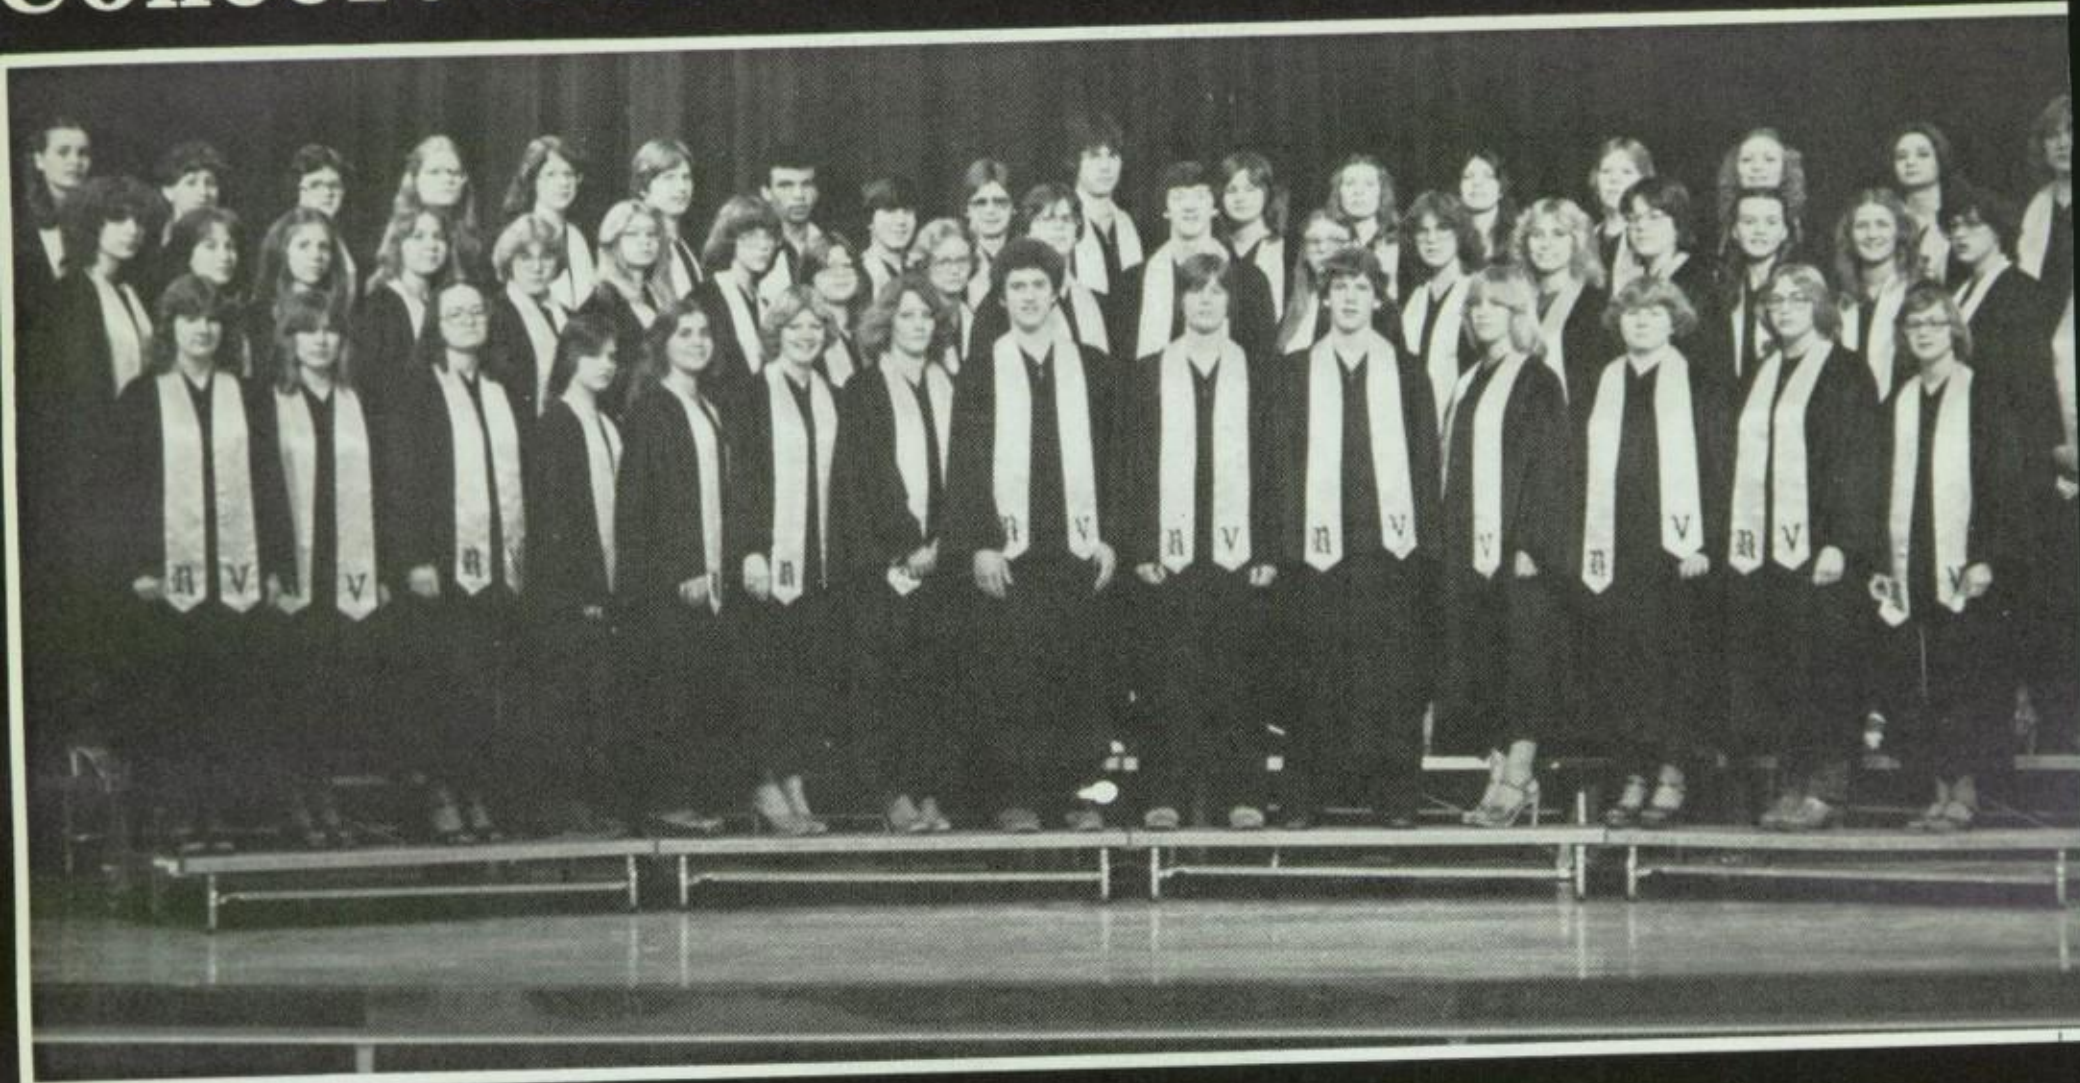

The Band and Choir held an Awards Party at Roscoe Colonial Pool. Those receiving awards were: Tim Fuller - Freshman Marcher of the year, Amy Gamertsfelder - Sophomore Marcher of the year, Linda Vernon - Junior Marcher of the year, and Linda Haines - Senior Marcher of the year. All the Commanders and Lieutenants received trophies. Awards were given for the various bands and Mr. English was presented with an alarm clock as a gift from the Seniors.

Laura Merth, Tracy Chaney, Cheryl Moomaw, Pam Jacobs, and Kay Sherretts were busy during all the lunch hours taking your money and making change. Each day they were expected to come up with the count and have their money come our right. Amy Bailey, Debbie Reed, and Sheila Robinette spent their noon hours making sandwiches, serving pop, and keeping the snack bar running. Mitch Taylor became a super milkshake maker whether you wanted chocolate or vanilla. Danita Groves helped on the serving line and saw that you got your hot sandwich. Cathy Cotterman, Rhonda Hoffer and Mike Garrett helped with serving, dishwashing, and other jobs assigned to them by Head Cook, Martha Young. Keith Freeman and David Phillips also did work assigned to them by Mrs. Young. Bill Keeran, Roy Thomas, and John Nemith were busy every day helping cooks with the work that needed to be done.

The Story Of The Ring

We at River View High School should be proud of our school ring. Not only is it unique in the county, but there is no other like it. This ring was especially designed for our school. Our ring is a reminder of Coshocton County's important historic part in the growth and development of Ohio's statehood.

One of the most prominent features of the River View High School ring is the BLACK BEAR which appears on one side. This symbol of our school stems from a common meaning of the Delaware Indian word COSHOCTON. Besides the meaning "black bear", Coshocton may also stand for "where there is a river-crossing device, ferry", and "place of the black bear". On the other side is a SHIELD which gives a brief history of Coshocton County. The SHIELD itself is divided into three sections by the three rivers — the Walhonding, the Tuscarawas, and the Muskingum — which flow into and out of the city of Coshocton.

The STAR at the top of the SHIELD represents GUIDANCE.

In the right-hand section of the SHIELD are a RIFLE and a SCROLL. These represent the wars which the white people fought to keep our country free.

In the left-hand section of the SHIELD are found a tomahawk and a lamp which represents the many wars the Indians fought with the French and British over possession of the lands in the Ohio Valley.

The Indian, found below the fork of the rivers, represents the first people to settle in Coshocton County — The Delaware Indians.

The BUCKEYE, found below the shield stands for the great state of Ohio.

The ring selection was made by representatives from the class of 1966 from the three schools, Three Rivers, Union, and Warsaw, which were consolidated to form RIVER VIEW HIGH SCHOOL. The ring, which was designed by the artists of the Herff Jones Company, is THE RIVER VIEW HIGH SCHOOL RING.

The Legend Of The River View Bear

Once near a meeting of three rivers there was said to live a great bear. He was huge, well over twelve feet high with gignatic head and paws. His coat was long and silky and blackest black. He always carried his enormous head high with great dignity for he was very proud. This bear was said to have great strength and courage and was absolutely fearless. Whenever he was heard in the woods, the other animals and the Indians would run and hide.

One day an Indian chief decided to kill the great bear and make his beautiful hide into a teepee. He chose twenty of his braves and sent them after the bear. When they found him and surrounded him he arose on his mighty legs and there was a look of pure hate in his eyes. Although they fired many arrows at him, nothing could stop him. He killed five of the Indians and sent the rest running home. Twenty of them had not possessed even one tenth as much courage as the bear. Again and again braves were sent by the chief but the outcome was always the same. The great bear was unconquerable. The Indians were so impressed by his courage and strength that they named their village COSHOCTON., which means "BLACK BEAR TOWN". Even today the Indians sit around their fires and stories are told of the courage of the great "BLACK ONE".

If you happen to come across him someday, I'm sure you will recognize him. there is no mistaking that hugh size, enormous paws, and the gignatic head which is the most impressive thing about him. It is carried with such pride and dignity that you realize immediately that nothing will ever force him to lower it.

Today he stands a symbol, instilling in all those associated with RIVER VIEW HIGH SCHOOL, the pride and dignity, the courage and strength to perpetuate the legend of the "RIVER VIEW BLACK BEAR". — Diane McVey
Former River View Student.
